

## Motorized Folding Sun Shade

Foldable large sun shades are ideal for pools, mosques and other large public spaces. Aluminum or Stainless Steel components make this a strong and sturdy system, that can last for many years. With a wide variety of tough external fabrics to choose from, this is a very elegant and beautiful shade system. The system is recommended to be motorized, but can also be operated manually (as per size).

### Motor Details:

Depending on the size, span, wind loads, and location details of the shades, we use from a variety of motor options available, that suit any and all clients and architects needs.
