

Fast Rolling PVC Shutters

High Speed Doors, or Fast Rolling PVC Shutters, are the perfect solution for industries. A highly specialized product, allows industries to upgrade and modernize their factory or increase efficiency. The shutters quick up & down movement in as low as 3 seconds serves multiple functions. They help maintain temperatures, reduce dust, dirt and other contaminations, and allow easy thoroughfare with security.

In case of repair, the inexpensive aluminum profile curtain stabilization allows the curtain segments to be replaced quickly and easily. Specialized Motors and Control Panels to allow variable speeds, customised accessories, and function adjustments to suit a variety of industrial applications.
