

## Motorized FTS Sun Shade

The FTS (Fabric Tensioned System) sun shades are ideal for skylights, pools, and other spaces. Aluminum or Stainless Steel components make this a strong and sturdy system, that can last for many years. With a wide variety of tough external fabrics to choose from, this is a very elegant and beautiful shade system. The system is motorized with two motors that work, in sync to provide a tensioned shade at all times.
